Subject: Study Session on Peak Democracy

Background

The City has contracted with Peak Democracy, Inc. to provide an independent third party online communication vehicle enabling members of the Campbell community to comment on aspects of the Envision Campbell General Plan update.

Staff viewed a webinar presented by the Alliance for Innovation on how Peak Democracy works. I felt it would be useful for the Council to see this webinar so you know how Peak Democracy will work and be able to explain it to people.

The webinar is one hour.
