### NEW BUSINESS

#### 1. **Civic Center Revenue Measure Survey Results**

Recommended Action: Conduct Study Session and provide direction to staff.

City Manager Linder gave a brief background for this item.

Bryan Godbe presented survey results. He stated that the data collected showed that a parcel tax would not have enough support to pass if put on the ballot at this time; and the bond measure would have some potential of passing but it would need more outreach to inform the taxpayers and there might not be enough time to do it before the November election.

Council listened to the presentation and discussed whether to move forward with putting a measure on the November ballot or waiting until the 2018 Election. Council directed staff to look at how much funding could be generated and what could be done with that amount and bring that information back to Council on or before the August 2<sup>nd</sup> meeting.

**PUBLIC COMMENT**

Jasmine Leyva, reporter for the Campbell Reporter, asked if Council would be holding off on a ballot measure.

**ADJOURN**

Mayor Baker adjourned the meeting at 7:00 p.m.
