

City Council Meeting

*The City Council will be considering
Conceptual Approval of the
Harriet Avenue / McCoy Avenue / San Tomas
Aquino Road Traffic Signal*

Place: City Council Chamber at 70 North First Street
Date/Time: June 21 (Tuesday), 2016, at 7:30 p.m.

The Harriet Avenue/McCoy Avenue/San Tomas Aquino Road Signalization Project is a federally funded project that would replace the existing flashing beacon system at Harriet Avenue/McCoy Avenue with a new traffic signal at Harriet Avenue/McCoy Avenue/San Tomas Aquino Road. This project would also widen the sidewalk on the east side of Harriet Avenue over San Tomas Aquino Creek and install accessibility ramps at intersection corners.
